Refreshments for your breaks

Traditional coffee break (included in conference package)

In addition to coffee, tea and orange juice we serve freshly baked croissants in the morning and a selection of pastries in the afternoon; this is always accompanied by a well-filled fruit basket.

Vitamin break A

There's nothing more refreshing than fresh fruit juice and fresh fruit. We serve orange juice, grapefruit juice, pineapple juice and exotic drinks containing mango and papaya. These are accompanied by pieces of seasonal fruit.

Vitamin break B

As well as fruit, conference rooms can also be supplied with energy in the form of garden-fresh, crispy vegetables. Vegetable matchsticks with a selection of dips – herby vinaigrette, curd cheese sauce or sour cream. In addition we also serve a range of vegetable juices.

Sportsman's break

For the sports men and women among you we offer a selection of yoghurts and milk drinks. To build up your strength there are delicious vitamin bars. These refreshments are totally legal, so no need to worry about doping checks!

Sandwich break

This option is also suitable as a lunch break if you are short of time... An individual choice of sandwiches filled with cheese, boiled ham, air-dried ham or smoked salmon. These are served with soft drinks.

Farmer's four o'clock break

This break is particularly suitable for the end of a conference or if you don't want to send your delegates home on an empty stomach. We serve coffee, apple juice or cider together with home-made country bread, ham, smoked bacon, air-dried meat and mountain cheese.
