

Facial Treatments

Craith LAB UNLOCK YOUR BEAUTY - The key to beautiful skin

In our facial treatments at Craith LAB, we use oxygen enhancement. This helps your skin absorb the active ingredients more effectively and deeply. The result: visibly smooth, radiant, and healthy skin. The facial treatments are specifically designed to optimally address and individually adapt to the different skin needs of men and women.

Craith LAB Mönch Treatment

Ideal for a quick refresh in between or as a perfect addition to your wellness day. This facial treatment is designed to nourish and hydrate your skin in a short time. Our high-quality products give you a radiant appearance. This treatment includes gentle cleansing, a deep-acting peel, and a soothing mask.

30 Min. CHF 80

Craith LAB First Treatment

During the exciting teenage years, not only the body changes but also the skin. Hormonal fluctuations can lead to impurities, acne, and other skin problems. Our treatment for teenagers offers the perfect solution to cleanse, care for, and revitalize the skin.

45 Min. CHF 120

Craith LAB Wetterhorn Treatment

Take a break and let your skin shine. Intensive care products detoxify and activate your skin cells, resulting in a smooth and supple complexion. The treatment includes an intensive peel, an algae mask, and collagen to activate, care for, and keep the skin healthy.

60 Min. CHF 160

Craith LAB Luxury Eiger

Treatment Facial care with that certain extra. With care products specially tailored to the skin's needs, cell division is activated, the skin is cared for and simultaneously lifted. The body's own collagen production is stimulated, and the skin structure is improved in the long term. The treatment includes intensive peeling, algae mask, collagen, lifting massage (5–10 Min.), and a mask tailored to the skin's needs.
